High ceilings in all rooms and 11-foot tray ceilings in the foyer add to the feeling of luxury. All windows and glass doors have custom wooden plantation shutters. Two sliding glass doors lead to the paved, covered, and screened lanai with a built-in summer kitchen including granite counter and backsplash, gas grill with vented hood, single burner cooktop, sink and refrigerator. Two Coolaroo roll down shades help block the afternoon sun. Step outside into your own private oasis ideal for al fresco dining and relaxation. The heart of the home boasts a gourmet kitchen with a large corner pantry, solid surface countertops, a five-burner gas stove, high end appliances and an abundance of cabinet space.
